8th International Conference On
English Learning & Teaching Skills

15th – 16th May, 2026

University of New South Wales
Sydney, Australia

A woman with dark hair, wearing a light pink blazer over a dark top, is speaking into a microphone at a podium. Behind her is a large screen displaying a presentation. To her left, two other people are partially visible. The podium has a yellow banner with the UNSW logo.

ABOUT US

The academic and business sector all over the world is preoccupied with innumerable ways of understanding English Language and Literature. In addition, the socio-cultural transformation is one of the foremost effects of it. The International Conference on English Learning and Teaching Skills (ICELTS), held annually, is designed to bring together scholars, researchers, and students in order to provide them with a platform to share their research results and ideas on the evolving significance of the English language in today's world.
